

**REMARKS**

In the Office Action mailed February 21, 2007, the Examiner noted that claims 1-20 and 22-36 were pending, allowed claims 1-18, 20, 23, 24, 27 and 30-36, and rejected claims 19, 22, 25, 26, 28 and 29. Claims 19, 22, 25, 26, 28 and 29 have been amended, and, thus, in view of the forgoing claims 1-20 and 22-36 remain pending for reconsideration which is requested. No new matter has been added. The Examiner's rejection is traversed below.

In the Action the Examiner rejected claims 19, 22, 25, 26, 28 and 29 as non statutory. It is submitted that "displaying" the intersection on a "display" or "storing" it in a storage" as recited in claims 19, 22, 25, 26, 28 and 29 provides a recited tangible result. Withdrawal of the non-statutory rejection for this additional basis is requested.

No new issues are raised and entry of the amendment is requested as the amendment text is found in other allowed claims, such as claim 18.

It is submitted that the claims satisfy the requirements of the statutes. The claims are therefore in a condition suitable for allowance. An early Notice of Allowance is requested.

If any further fees, other than and except for the issue fee, are necessary with respect to this paper, the U.S.P.T.O. is requested to obtain the same from deposit account number 19-3935.

Respectfully submitted,
